

The LIFE PASTORALP final conference
GLOBAL CHALLENGES IN MOUNTAIN AGROPASTORAL SYSTEMS
Scientific evidence on impacts, adaptation and policies

List of poster contributions

Presenting Author	Title
1 PASTORALP	<i>Mapping</i>
2 PASTORALP	<i>Biophysical Vulnerability</i>
3 PASTORALP	<i>Socio-economic vulnerability</i>
4 PASTORALP	<i>PASTORALP Platform</i>
5 PASTORALP	<i>Biodiversity at PNGP</i>
6 PASTORALP	<i>Biodiversity at PNE</i>
7 PASTORALP	<i>Adaptation measures and policy recommendations</i>
8 Robin Preillan A.	<i>Se4Alps, tools for pasture planning</i> Rota A.; Ungureanu I. E.
9 Bellocchi G.	<i>Expanding the ability to model dynamically the plant (and microbial) diversity in multispecies grasslands</i> Bellocchi G.; Martin, R.
10 Méroth L.	<i>Understanding interactions between cattle and woody vegetation in two French alpine pasture using GPS data and DNA fecal analysis.</i> Méroth L.; Huber L.; Fischer C.; Lierdeman E.; Prunier P.
11 Balestra M.	<i>Species richness in subalpine dry pastures colonized by <i>Laserpitium halleri</i> Crantz: A case study for the Dötra region in Southern Switzerland</i>

Balestra M.; Prunier, P.

- 12 **Doni L.** *The flora taxonomic, functional, and phylogenetic diversity in seminatural grassland habitats: A case study of grazed and abandoned alpine pastures in the Southern-Western European Alps*
Doni L.; Casazza G.; Guerrina M.; Mariotti M.
- 13 **Mainetti A.** *Topography, climate, species composition, and phenology affect forage yield and quality in alpine summer pastures (NW-Italy, Gran Paradiso National Park)*
Mainetti A.; Ravetto Enri, S.; Pittarello, M.; Lombardi, G.; Lonati, M.
- 14 **Richiardi C.** *Spatio-temporal snow cover trends from 2000 to 2022*
Richiardi C.; Siniscalco, C.; Adamo, M.
- 15 **Piccini I.** *Agropastoral suggestion to maintain the endemic butterfly *Polyommatus humedasa**
Piccini I.; Pollo, A.; Barberis, D.; Regaiolo, I.; Ćelik, T.; Lonati, M.; Bonelli S.
- 16 **Varese P.** *Forest suitability for a sustainable silvo-pastoral use: examples and criteria for selecting climate adaptive measures*
Varese P.; Mainetti A.; Dibari C.; Argenti G.; Bacci F.; Camerano P.
- 17 **Richiardi C.** *Integration of natural and socio-economic sciences to assess the effects of land use change on the alpine landscape: the ABRESO project*
Adamo, M.; Richiardi, C.; Scartazza, A.; Sella, L.; Baneschi, I.; Gavrichkova, O.; Maerker, M.; Mattioni, M.; Ragazzi, E.; Rossi, V.; Rota, F.S.; Salvadori, M.; Pennisi, M
- 18 **Bertocchi M.** *Grazing plans aimed at the dissemination of good management practices for the biodiversity in Lombardy*
Bertocchi M.; Torretta, M.; Kian, D.; Digiovinazzo, P.; Canobbio, S.; Oneto, F.
- 19 **Schneider A.** *Global pastures - ethnographic explorations of Alpine grassland connections*
Schneider A.; Festini Cucco S.
- 20 **Pastorelli F.** *Alpine pastures in the Alps: Cultural relics or resources for the future?*
Calvo E.; Bonardo V.; Battaglini L.; Pastorelli F.
- 21 **Membretti A.** *Training Young Shepherds in the Alps of Italy: an opportunity for new peopling and youth restanza.*
Membretti A.; Salvo C.; Storti D.,; Scotti M.
- 22 **Doula M.** *Soil properties and GHG emissions from a mixed system of olive trees cultivation and sheep farming.*
Doula M.; Zagklis, G.; Kavasilis, S.; Kolovos, Ch.; Kostaras, S.; Dimou, D.
- 23 **Viani A.** *Bartonella spp. distribution assessment in foxes coupling geospatially-based techniques*
Viani A.; Orusa, T.; Divari, S.; Lovisolo, S.; Zanet, S.; Borgogno-Mondino, E.; Orusa, R.; Bollo, E.

- 24 **Torsiello B.** *Evaluation of dehydration indicators in dairy goats bred at pasture*
Torsiello B.; Battini, M.; Mattiello, S.; Renna, M.; Battaglini, L.
- 25 **Pietrafesa P.** *Presentation of UNA Foundation - Man, Nature, Environment*
Berlinghieri M.; Pietrafesa P.
- 26 **Kavasilis S.** *Composting animal mortalities by using natural zeolite – A sustainable approach for Agro-Silvo-Pastoral systems*
Kavasilis S.; Doula, M.K.; Zorpas A.A.; Kostaras, S.; Cambanis, L.
- 27 **Evola R. S.** *The grass-fed supply chain in Piedmont: farm production and farmers point of view*
Evola, R.S.; Mina, G.; Bonadonna, A.; Vesce, E.; Peira G.
- 28 **Raschioni S.** *Mobile food processing plants: a strategic economic tool for preserving and enhancing agropastoral systems*
- 29 **Goracci J.** *Unconscious slaughtering practice in pigs: promising results of the first trial in extensive systems*
Amarie RA.; Goracci J.; Giunta G.; Senese M.; Del Tongo A.; Briganti G.; Terracciano G.; Serra A.
- 30 **Colombo L.** *Pursuing resilience in animal production systems in earthquake affected areas. The SAIMarche experience*
Colombo L.; Habluetzel A.
